You're crazy girl, crazy girl, you should know it
 (you're crazy girl, crazy girl, don't control it)
 Light it up, light it up, so explosive
 You're crazy girl, yeah, yeah

Baby what you doing? where you at? where you at?
 Why you working so shy? hold it back, hold it back
 We're not the only ones doing it like that, and like that
 So DJ bring that, bring that, bring that, bring that back

All around the world people want to be loved
 Yeah, all around the world, they're no different than us
 All around the world people want to be loved
 All around the world, they're no different than us
 All around the world

[Beat break]

[Ludacris]

Once again, the dynamic duo's back at it
 JB, Luda!

I love everything about you
 You're imperfectly perfect
 Everyone is itching for beauty
 But you're scratching the surface
 Lost found is never found
 Can the DJ please reverse it?
 In lights we pay for change
 Let's make every second worth it
 Any day can work if you're working
 with people saying you don't deserve
 It and don't give in
 Cause hate may win some battles but love
 Wins in the end
 You shine just like the sun while the moon
 And the stars reflect your light
 Beauty revolves around you
 So you like that?
